An authentic African Experience in comfort

In our 4x4 open-sided vehicle, we depart early morning and late afternoon to make best use of the light and animal movements. We also organise full day game drives with a picnic in the Mara Triangle. The Maasai Mara is famous for its exceptional population of game and the annual wildebeest migration from July to October. The Maasai Mara is also famous for its large population of lions which prey on the herbivores as they pass through. After a day out in the bush, guests can relax and enjoy a cold beer or a cocktail by the campfire or at our very special bush bar. Dinner is served under canvas in the dining area or if the weather permits, under the stars.
