## GREAT MIGRATION HAS STARTED !

cross at the same time as the wildebeests. Some crossings are more spectacular and noisy than other but each crossing is a **wonderful and unique experience**. You have to see this exceptional natural phenomena where about **2 million wildebeests and zebras cross the Mara** to understand why the Great Migration is categorized as one of the **several wonders of the world**.

Our guests at Kilima Camp started to see the first wildebeests on the other side of the River around Musiara Marsh and Paradise plains in the beginning of June. The movement of wildebeests has progressed very quickly since then.

Since the 2<sup>nd</sup> week of July, the wildebeests have been crossing over to the west part of the Maasai Mara onto Mara Triangle. **Rachelle and Dan from London** were on **honeymoon** at Kilima Camp and they were our 1<sup>st</sup> clients to witness a crossing on the **6<sup>th</sup> of July**. They did not expect to see such an amazing, spectacular and unique event. As Kilima Camp has **one of the prime location in the Mara Triangle**, every day since then, our guests were able to see a crossing. There are many crossing points and each crossing is different, depending on the particular crossing points, the presence of crocodiles, or hippo... Sometimes, zebras

## KILIMA CAMP ECO RATING

We are proud to announce that we have been awarded a **Bronze Medal by the Ecotourism Kenya**. We performed well in most of the assessment criteria including efforts to **reduce the facility's ecological footprint by design and afforestation, extensive use of solar energy, water conservation and having clear benefits to the local community including supporting the cultural village**.

At Kilima Camp, we do not only strive to offer our guests an **unforgettable experience of the African bush thanks to our prime location in one of the best wildlife areas in the world**: we also want to contribute to the conservation of the **Mara Ecosystem as well as to the wellbeing of the local Maasai communities**. We will continue to do more to make sure that we preserve this fantastic environment.

**HOPE TO SEE YOU SOON AT KILIMA CAMP !!!**
