Fly Camping: a very unique experience !

We are happy to inform you that we can offer to our clients the possibility to have a very unique experience in the Maasai Mara National Reserve: fly camping in the bush !

Depending on the season and on the consequent wildlife movement, we mount a simple fly camp either on the banks of a river or on the plains of the Mara Triangle.

The fly camp team will make sure you have a safe, comfortable and unforgettable adventure. The facilities at the fly camp will include a hot safari shower (bucket shower), a toilet tent and twin tents with safari beds. The vehicle for your game drives will be a specially equipped 4x4 WD.

Our guests will enjoy a drink next to the fire, on the river banks or in the plains thriving with wildlife. This experience will make anyone feels like the first hunters. Dinner under the stars will be unforgettable.
